

# Help us to give value for money

This newspaper is produced entirely by voluntary staff for the benefit of local residents.

It aims to offer as much news and information as possible and to further community spirit in the area.

At the same time, 'The Archer' wishes to keep pa advertising to a minimum.

However, we need additional revenue in order improve our operation and to help meet our prod tion and printing costs.

Do you value our effort and commitment?

If so, you can help us by becoming a "friend" of 'The Archer'.

You will then receive worthwhile concessions from time to time, including a copy of the newspaper, sent by first class post.

We ask for a minimum donation of £10 per annum (we'd prefer a little more if possible) to help us grow and improve our standards.

Please respond by sending the coupon with your remittance to: "The Archer", 45 Midhurst Ave, London N10 3EP.

## Commercial Listings

These "yellow page" style listings have been introduced for two reasons.

There are many professional groups that have to submit all advertisements for approval and some who cannot advertise at all.

These listings allow them to list their name, address and telephone number without having to refer the matter "up the ladder". Others cannot design an advertisement but do want to support the newspaper as they feel they are also part of our community.

We ask you to consider all our advertisers when you need to buy something or book a service. We are not saying "spend your money with our advertisers". What we are saying is "at least give our advertisers a chance to quote for their services, or price their goods to you".

When you visit an advertiser, mention that you have seen their advertisement in the newspaper.

Even if the shop is one you always go into, please mention you have seen the advertisement.
