Year Five go fundraising

By Diana Cormack

When children in Year 5 at St Theresa's RC School, East End Road, decided to hold a charity sale, no one could have imagined how successful it was going to be. Ably assisted by their class teacher Paul Silverstone, the nine and ten-year-olds chose to support a charity very close to his heart. Here is how one of his pupils, Katie Huet, described what happened.

"Each class was told that they had to choose a charity. Loads of people got information about the charity they wanted to support. We ended up with the NSPCC, RSPCA and Home Counties Boxer Welfare. Everyone voted and the most popular was Home Counties Boxer Welfare. Soon after, our teacher had the idea of having a sale for our charity, so then people started bringing in things like soft toys, games, PS2 games, books, jewellery and homemade cakes.

"We needed something else to raise money and the answer was doing sponsored things. So we went home and did things we would not usually do and we

got money for that. Everyone brought things in and we had a big pile to sell. It was a success and we sold a lot of the things we had and all of the money went to dogs in need."

The children advertised and promoted the event themselves. The sale was held after school in their classroom, where they had displayed and priced the goods. All their hard worked paid off because Year 5 raised the magnificent total of £800.

Paul Silverstone's family own a dog called Fred who was rescued by the charity, which is run entirely by volunteers. For further information visit www.hcbw.org.uk

Is your pet too fat?

By Caroline Broome Did you know that about 30% of Britain's pets are overweight? Those extra pounds are usually the result of over eating and can drastically affect your pet's comfort and health.

Most pet owners are guilty of slipping their pets tit-bits but fat pets have shorter lives. Their bodies are less able to cope with operations, and being overweight or obese reduces their ability to fight off diseases and worsens medical conditions such as skin disease, diabetes, arthritis and heart problems.

The best way to bring about gradual weight loss is through increased exercise and fewer calories. Before putting your dog or cat on a diet, have it checked by the vet to eliminate any underlying medical problem or medication that may have caused weight gain.

If your pet is diagnosed by a vet as overweight, try the following tips:

• Don't give your pet any treats or table snacks. • Divide its daily food allowance into two to four small meals. • Weigh your pet once a week and keep a record. • Stop pets eating each others' leftovers. Feed pets before you eat and keep them in another room during your mealtimes. • Don't let your dog scavenge on walks. • Exercise your dog regularly and ensure your cat spends time outdoors.

The RSPCA Small Animal Clinic is in Park Road, N2. It is open on Monday and Thursday evenings from 5.30pm, with consultations from 6pm-7.30pm. In emergency, ring the RSPCA's Harmsworth Hospital on 020 7272 6214.

Bishop Douglass Awards By Pamela Kent

Around 400 pupils, staff and parents gathered in the main hall of Bishop Douglass School on 11 January to see awards presented by Martin Baker, Deputy Director, Children's Service Schools and Learning to students for outstanding achievements.

After an excellent opening of the occasion by the school choir, students were awarded for their educational ability, exemplary behaviour, loyalty, school spirit and endeavour.

Headteacher, Miss Angela

Murphy, explained how the school examination results have improved and thanked her staff, pupils and behind-thescene helpers who have all given their time, support and loyalty in order for this to happen...

The Fifty Word challenge

Can you write a short story in 50 words or less? Impossible, you say. Not necessarily, we say. But it's not easy. THE ARCHER'S Diana Cormack wrote this mini-mystery, bang on the word limit.

Forgive me, Father

'You can burn this,' ordered Maud, thrusting their daughter's letter towards her husband. Derek continued poking the fire.

"But she wrote it to me and I want to see her," he replied.

"Over my dead body!" Maud snapped.

"That can be arranged," whispered Derek, raising the poker above his head.

Email your 50-word masterpieces to us at thearcher@lineone.net or post them to The Archer, PO Box 3699, London N2 8JA, and we'll print the best.

Wow, what a response

Holy Trinity School has had an amazing response to its Walk Once a Week scheme. WOW encourages children to walk, scoot or cycle to school at least once a week.

Pupils get rewarded with badges if they follow the scheme. They also get points for parking and striding, which involves parking the car earlier in their journey and then walking the rest of the way.

car usage and improve the environment. Transport for London announced in December that Barnet has reduced car use on journeys to and from school by 12%, the third highest reduction WOW is being used by many in London.

PHONE MASTS IN HOLY TRINITY CHURCH SPIRE

PUBLIC HEARING

SATURDAY 23 FEBRUARY 2008 at 10.30am

The Vicar and congregation of Holy Trinity, Church Lane, N2 want to install mobile phone masts in the bell tower of the church to raise money. This is opposed by the vast majority of local residents. The plan has twice been refused planning permission by Barnet councillors, but despite this approval is being sought now from the Church of England. Because of the strength of local opposition the Diocesan Chancellor has decided to hold a public hearing of the case at Holy Trinity church on Saturday 23 February at 10.30 am. Local people will be up against a professional legal team hired by the church. If you can offer any advice or help, please contact members of the Stop the Holy Trinity Mast Campaign:
