Home-grown goodies win horticultural prizes

Barnet Allotment Federation chose Martin Primary School as the venue for their annual horticultural show, which was open to the public on Sunday 18 August.

The colourful display of fruit, vegetables, flowers and potted plants paid tribute to the skill of the growers of the borough. There were also homemade chutneys, jams, cakes, beer and even sloe gin to be judged.

Brook Farm Horticultural Association Whetstone and East Finchley Allotments, who served refreshing tea and cakes, each provided a beautiful hor-

tical display along with a history of their allotments.

With five trophies and various certificates to be awarded to the best of the bunch, the most successful were Tristan and Shannon Green, of East Finchley. This was close to home for Tristan, who is premises manager of Martin School and runs a popular gardening club there, making it one of the

few schools offering this skill to its pupils.

Competition categories for children to enter included ugliest vegetable, garden in a seed tray, largest sunflower head and best fruit scones.

The Barnet Allotment Federation was formed 54 years ago and its members are the societies that manage allotment sites across the borough.
